CHIEF WHITECAP AND JOHN LAKE

The Founders Statue, located at the roundabout near the intersection of Spadina Crescent E and 3rd Ave S, represents the meeting between Chief Whitecap and John Lake. This meeting in 1882 led to the founding of Saskatoon.

During the meeting, the Chief of the Whitecap Dakota First Nation told John Lake of a good place to settle about 26 km from the Whitecap community, which would become Saskatoon. The City of Saskatoon and the Whitecap community would go on to be trading partners. The statue itself was erected in 2008.

Check out the Founders Statue when you visit Stop #5 on this week's walking tour.
