LEARN A NEW LANGUAGE

Interested in learning a new skill? If you have been wanting to learn a new language, or strengthen your vocabulary of one you are already familiar with, now is the time!

GAIN A NEW SKILL WHILE SELF-ISOLATING

Being able to speak or comprehend an additional language can come in handy during future travel, conversing with a friend or impressing a relative. Learning a language is also a great way to stimulate your brain and use a skillset many of us may not tune into regularly.

HOW YOU CAN LEARN A NEW LANGUAGE COME PUOI IMPARARE UNA NUOVA LINGUA

We have found stellar free Language Apps that make learning fun and engaging. See some highlights of our 3 favorites:

DuoLingo

- Offers nearly 100 language courses developed by native speakers
- Gives the option for users to learn in a course designed for those with a primary language other than English
- The most widely used free language learning App!

MemRise

- Offers over 200 languages to choose from
- Makes vocabulary practice fun & engaging through using Memes
- Memes helps with recall accuracy & speed while offering entertainment

HelloTalk

- Like having a Pen Pal- but to learn a new language!
- Learners are connected with a native speaker of their target language
- More of a hands on approach to gain skills as opposed to self-guided lessons
- Learning through text/voice messages & discussion forums with other users
