## KEY RETURN PROCESS

Keys must be returned at the time of your move out. A charge will be processed on your Residence Account for all unreturned keys, including mailbox, building and/or unit keys. In order to properly identify returned keys, key tags are provided to residents in each Residence Hall and are available at the Residence Services Office. **Please follow the steps outlined below to properly return your keys at Move-Out:**

### STEP 1

Write your name on one side of the key tag and your unit number on the reverse.

### STEP 2

Attach unit and mailbox keys to the key tag.

### STEP 3

Drop keys in the key return slot in the door of the lobby RA/Coordinator Office, the McEown Park Residence Office or return them to the Residence Services Office in Saskatchewan Hall.

Charges will also be incurred if we are unable to identify the keys to your unit.

## PARKING FOR MOVE-OUT

- Parking regulations must be followed while moving out. Do not park on the grass, or in other NO PARKING areas.
- Please be courteous and move your vehicle as soon as it is loaded to allow others to load their vehicles.
- If you have any concerns you can contact Parking Services <https://parking.usask.ca/contact.php>

## REDIRECTED MAIL

- The Residence Services Office is unable to redirect mail that arrives after a resident moves out.
- Also, Canada Post does not forward or redirect mail from dormitory or shared delivery addresses.
- It is important that residents contact any regularly scheduled mail providers (i.e. utility service providers and banks) to provide them with a forwarding address prior to vacating residence.
