

UNIVERSITY OF SASKATCHEWAN
RESIDENCE MOVE-IN GUIDE
FALL/WINTER 2019-2020

WELCOME TO RESIDENCE

I would like to take this opportunity to extend a warm welcome to our Fall/Winter residents.

Over the past few years, we have made a number of significant improvements to the services that we provide to our residents, as we understand that there is a direct correlation between a student's academic success and their experience living on campus. Our commitment to the success of our residents can be seen in the variety of programming that we offer, our amenities and services, the quality of our meals on campus and in the value of our resident tutoring and support structure.

We remain committed to the continuous development of the residence experience in order to make a lasting, memorable and positive impact.

I wish you all the best in your studies and in your new home on campus at the University of Saskatchewan.

George Foufas, Director, Consumer Services

PARKING FOR MOVE-IN

Parking will be available in Lot 1 located in front of Place Riel (the main entrance and access to Marquis Culinary Centre). There are also several other pay lots around campus, as well as at Stadium Parkade and metered spaces around campus. [View List of UofS Pay Lots](#) and Prices. Download the University of Saskatchewan PayByPhone App to easily pay for metered parking at the following link:

<https://www.usask.ca/parking/public/metered-or-pay-by-space-parking/PayByPhone.php>

Due to the heavy volume of vehicles in the lots surrounding the buildings, residents will be provided a maximum of 45 minutes to unload their vehicles. Once you've removed all of your belongings from your vehicle, it is recommended that you park at the nearby Stadium Parkade on College Drive, which has an affordable full-day parking rate, or at any of the metered or pay lots around campus. As a reminder, parking in accessibility parking spaces and on lawns is prohibited.

RESIDENT ASSISTANTS (RAs)

Resident Assistants (RAs) are student staff members that are the first point of contact for residents.

During the Residence Move-In process, RAs will be wearing green vests and will be ready to answer questions and can direct you to any campus location. RAs cannot help you with lifting items, so please bring your heavier items in rolling suitcases if you can.

RAs can support me by:

- Providing roommate meetings
- Providing programming in my Residence to help me meet others & connect with my Residence community
- Assisting me with challenges, conflicts, personal difficulties, service referrals and more!
- Assistance if I've locked myself out of my unit between 7pm and 7am!

Along with the conditions outlined in your Residence Agreement, residents are strongly encouraged to review the [Residence Handbook](#) available at all times on the Residence website.

The Residence Handbook provides important information pertaining to your residency. Please also remember to accept the terms of your Residence Agreement in the Residence Housing Portal prior to Move-In.

Any residents that are not enrolled, or have not signed their Agreement will not be provided keys on Move-In

RESIDENCE AGREEMENT AND RESIDENCE HANDBOOK
